## **OFSTED QUESTIONNAIRE**

Thank you to the 27 parents who have completed the online Ofsted Parents' Questionnaire. If you have not managed to do this yet **PLEASE, PLEASE**, can you?

We do not have an inspection but just want to gather parents' views. The more we get—the more valid the conclusions we can draw.

**You can access via the Ofsted Parent View website:**

**<http://parentview.ofsted.gov.uk/>**

**As well as completing the online questionnaire on the Parent View website please would you complete our own short questionnaire. Copies attached with Newsletter and available in the school foyer. Thank you.**

**SCOOTERS—For safety reasons please ensure children collect their scooters as they leave and do not ride on the play-ground. Thank you.**

## **AMERICAN FOOTBALL**

We were very fortunate to have Mr Kirby (who used to play American Football for Great Britain) come in for a day to give Year 6 a taste of this sport.

The children really enjoyed learning new skills and came back from the sessions buzzing about it. Mr Kirby is a teacher at Christ's Hospital and a rugby coach at Horsham rugby club so the children benefitted from his expert coaching.

## **PLEASE CAN YOU HELP?**

On Saturday 9th May we will be having a 'Working Party' to clear brambles from around the pool area and to paint the swimming pool fences and changing rooms. If you would like to help please let the office know and then meet on the playground at 9:30am on the day. If you can, please bring clippers or shears and any equipment suitable for painting wood stain. If anyone has a 'sprayer' for fence paint that would be really useful.

### OVER THE HEDGE

Now the children are on the field it is important that parents only say a quick hello, if they are walking past on church path and see their child. Even though there's no harm in a chat with your own child we don't want children thinking talking to people over the hedge in general is acceptable for safety reasons. Some children will not know if the adult is a parent or not and therefore, to be on the safe side, it is best not to have this happening. Thank you.

### BEING PREPARED FOR HOT WEATHER

Please could every child have a water bottle for the classroom this term?

We encourage parents to make sure their children have put sun cream on before they come to school on sunny days. Then children are also encouraged to bring in sun cream for the school day ahead. Children are expected to apply it themselves.

Hats are very important at this time of year and we encourage the children to wear them.  
Thank You.

### NEW SPORTS DAY FORMAT on 21st May

We are making some changes to Sports Day this year in order to improve it. One of these things is a different start & finish time. It will begin at 9:30am. and end with a picnic if it is nice.

Parents who have attended the day can then take their children home at approximately 1:30pm. If you cannot attend Sports Day, don't worry, your children will be looked after until normal pick up time. There will be a letter coming home about Sports Day arrangements shortly as there will be no hot meals on the day.

**SAINSBURY'S ACTIVE KIDS VOUCHERS**— We are collecting Sainsbury's Active Kids vouchers now. There is a collection box in the Foyer. Thank you.

### JUST DIFFERENT WORKSHOP

Alison Wright from the charity 'Just Different' visited us on Thursday 23rd April. The children learnt a great deal about what challenges life holds for people who have a disability. They celebrated the fact that people are different in many ways but that we're also all the same in many important ways.

Thank you to everyone who made a donation of £2. The money will help Just Different continue its vital work.

The children asked many sensible questions and their attitude during the workshops was fantastic. Well done to all!
