

Topic Overview		
Once Upon a Time Major Book		
Vision Concept	Christian Values	How should we treat our neighbours?
Narrative	<p>Traditional tales tell us a lot about how we should treat our neighbours, and provide an insight into how we should apply our Christian Values in our daily lives. Over time, our concept of a 'neighbour' has changed a dramatically. The development of transport systems in the past have enabled people to move beyond a local concept of our neighbour.</p> <p>How has the development of transport had an impact on the community and development of Cowfold over the years?</p> <p>This topic has a core focus on relationships, participation in communities and the qualities of character that enable people to flourish together. We will use traditional tales to familiarise children with how Christian Values can be demonstrated within a community. Using our subject knowledge, we will look to have a positive impact on our local community and establish what it means to be a good neighbour on a local, national and global level and raise money to support a local charity.</p>	
	History	Geography
Subject Concepts	Significance, Similarity and Difference	Locational Knowledge
Knowledge 'I know'	<ul style="list-style-type: none"> Identify similarities and differences between the lives of people in the past and the lives of people in the present. Describe historical events. Describe significant people from the past. 	<p>Children should develop knowledge about the world, the United Kingdom and their locality. Children begin to understand basic vocabulary relating to human and physical geography. Use key vocabulary to demonstrate knowledge and understanding in this strand: United Kingdom, England, Scotland, Wales, Northern Ire-land, town, city, village</p>
Knowledge 'I can'	<p><u>Working Historically</u></p> <ul style="list-style-type: none"> Recount changes that have occurred in their own lives Use artifacts, stories, online sources and databases to find out about the past. 	<p><u>Working Geographically</u></p> <p>I can explain how a place has changed over time, in a simple manner. (Such as: How Cowfold village has had more buildings added to it as the years have passed, and how some old buildings still remain whilst some have gone.)</p>
