Brilliant Basketballers!

When a keen group of basketballers asked if we could have a school team it seemed a great idea and, from a small seed, things blossomed. After a couple of training sessions we entered the Horsham basketball league for the very first time. The children did really well, showing off skills they'd learnt in the playground. In fact, Edward Jacob and Tadgh

O'Donovan looked to be amongst the best players there. Riley Nelson also rapidly improved, scoring some unbelievable baskets in our second session. Overall, our A team won Division C—a great result for our first ever attempt!

WELCOME TO OUR NEW GOVERNORS

I am delighted to welcome three new Foundation Governors to our school team. Adam Charlton and Emma Harsum (who are also school parents) bring a wealth of expertise from their roles in business. Nichola Favell, who has a long association with St Peter's Church and a deep understanding of the school's ethos, is our third addition. Foundation Governors are appointed by The Diocese of Chichester and have a particular interest in maintaining our links with our Christian Foundation.

After School Clubs Security

Please can we just send out a reminder that the front gate of the school should remain shut until pick-up time from after school clubs. To ensure our children are safe and any stranger can't just wander in to the playground / field, parents are requested to wait outside the gates until they are opened at 4pm for Singing Club and 4:15 for all other clubs. I know it has been nice to come early and watch for a while but unless a school match is on, and sufficient extra staff are present, we do need to ensure this safeguarding measure is respected. Thank you.

The Red Box Project

This is an initiative that we benefit from at St Peter's. The project has donated sanitary products for our older girls and now there's always a supply in school.

If you would like to help girls in other schools you can buy some sanitary products and pop them in the **RED BOX** in the school foyer. Thank you.

News From FoSPS

Supporting Forest School

FoSPS have been approached by the teachers that run Forest Schools for some support in buying some extra equipment to benefit the children doing these activity days. It is a great opportunity for the young people to spend time outside. We are really pleased to be able to help with this and hope everyone continues having fun days at Forest School.

They are also looking for balls on wool and cotton sheets, so if you have any you can donate please let Mr Dessena have these or pass them to Ellen from FoSPS.

SECONDHAND UNIFORM

DONATIONS

Mrs Lisa Johnson has placed a deposit box in the school foyer and would love any donations of old uniform (still in good condition), please. Lisa raised £90 in May, alone for the school from 2nd hand uniform sales.

So by using her service you not only help the environment and your pocket; you also help St Peter's.

Thank you very much.
