ur focus will be on deci-  
percentages alongside a  
t focused on geometry.

# Extreme Environments

## Our Geography Topic

Our Spring term topic is Extreme Environments. During this topic, the children will be learning about Mountains and mountain formations as well as places that are inhospitable to humans for example

## English—Writing

Our writing during the Spring term will be linked to Sir Edmund Hillary and Tenzig Norgay's climb of Mount Everest. In the first half, we will write a biography for Sir Edmund Hillary whilst in the later half of term, we will write explanation pieces detailing how mountains are formed.

## Science

In science we will be learning about light and advancing our learning about electricity.

## Computing

We will be learning about, creating and exploring databases.

## Mus

We will explore d  
and texture to co  
pieces inspired by  
and Fingal's Cave

## Games and P.E.

This term we will focus on attacking and defending ball games.

## Art and Design Tech

In art we will be using ink to create drawings of harsh environments.

## R.E.
