Eco-Initiative

The School Council have organised some green bins specifically for snack wrapper recycling. Pupils are encouraged to put the rubbish from healthy break-time snacks in these bins. Thank you!

HOUSES OF PARLIAMENT OUTREACH SERVICE

We were lucky enough to receive a visit from the above organisation on 23rd January. Kerrie, who works for parliament's outreach, gave Key Stage 2 a very interesting talk about how it all works. We learnt the difference between The House of Lords and The House of Commons with video clips of debates going on. We learnt that The Government is very different to Parliament and about how laws get passed.

Final Totals

We had some fantastic final totals from our Christmas fundraising:

**£65 for The NSPCC
£254 for The Children's Society.**

Thank you very much!

INTERNET SAFETY DAY - Tuesday 11th February

Tuesday 11 February, marks world Safer Internet Day. St Peter's is a registered supporter of this global event and pupils are undertaking in class activities aimed at enabling them to be safer and more responsible online and feel confident to be themselves on online networks.

Please find attached with this newsletter some information provided by the Online Safety Alliance aimed at supporting parents' awareness of apps popular with children. There is very helpful guidance here about the potential risks of these apps and tips about how to keep children safe online.

We also direct you to Safer Internet Day for tips about talking to your child about their online lives and to ChildNet for more general help and advice about keeping family members safe when using digital technology at home.

Superb Swimmers!

We sent a team of swimmers to the Horsham Schools Swimming Gala for the first time since at least 2012. It was an all girl team and they did amazingly. Charlotte Humphreys competed in the A Team event and won all of her races. She was part of the 'All Stars' team with pupils from Northolmes & Shelley Schools that won the whole event.

Fleur Hutchings, Sienna Greenfield, Yazmin Russell and Poppy Cornwell made up a team from Cowfold only in the B Event and our school came 3rd out of 8 schools (all of them bigger than us!).

Well done the team— girl power!
