Year 6 Teach The Grown-Ups!

We had an extremely productive and enjoyable maths session on Thursday 25th January. Parents came along to a maths lesson on written methods for the four operations (+, -, x, ÷) and the children ran little workshops. Mr Ritchie and Mr Kolter were very impressed with how well the Year 6s did. The children had had a chance to consolidate their learning by teaching it. It also helped parents to know the current methods used, so they could help at home.

House Cross Country Competition

Well done to all the Key Stage 2 children who ran the 4 lap cross country course on our field, on Friday 1st February. It took plenty of determination to run the whole way, without stopping, and we were so proud of them. There was a great 'sporting spirit' between the runners. The children might have been in rival House Teams but there were lots of examples of 'sportsmanship' with children helping others to their feet after a slip, and running an extra lap to pace home a friend. The individual results were:

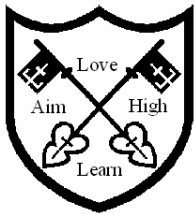

**BOYS - 1st Alfie Docherty,
2nd Tadgh O'Donovan,
3rd Edward Jacob**

**GIRLS - 1st Lydia Barnett,
2nd Fleur Hutchings
3rd Ursula Seymour**

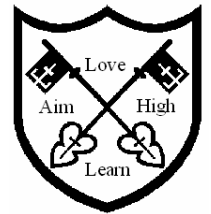

**Congratulations to the
Winning House -
EVEREST (yellow)**

**All runners earned 2
merits for their House.**
