Vision Concepts – Community and Ambition

Milestone 3

Community - How should we treat our neighbours? (linked to our balanced argument based on The Island by Armin Greder). OUTCOME: An extended piece of writing that weighs up the pros and cons of immigration into the UK?

Ambition – Can we create a pop-up French Café and use our own cooking skills? OUTCOME: Creating a French Cafe using skills learnt in our DT food project.

Ambition - What did the Greeks ever do for us? (linked to our writing on Greek Inventions - looking at how we still use many ambitious Ancient Greek inventions in our every day lives) OUTCOME: An informative poster summarising Ancient Greek inventions that we still use today.

Settlement
Community - What things does a successful community need? (linked to our Settlements field work) OUTCOME: Culminates in a field trip to locate a neolithic camp in the geographically favourable place locally. RHE – Work to draw up the laws that their community will live by.

Ambition - How can we protect areas of biodiversity and why is it important? (Linked to our David Attenborough biography work, studies of The Galapagos Islands and local conservation areas). OUTCOME: A persuasive extended piece of writing advocating for conservation.

Community - How were our ancestors and local community affected during World War II? (linked to Remembrance Assembly) OUTCOME: pupils make a display, or PowerPoint, or poster that summarises some research they have done into what their ancestors did (or how they lived) in World War 2.

SUM
