Dear Parents/Carers

TRANSITION TO SECONDARY SCHOOL

You may be starting to think about your son's transition to secondary school because he has been allocated a place to start with us in September 2020 or you're considering which of the schools in the Horsham area will be best suited for him.

At Forest, we understand that this is a big change for families and that parents and pupils will want to have as much information as possible in order to successfully manage the move. As part of the transition support offered by Forest, I will be visiting St Peter's Primary School with my Transition Team on Tuesday 31 March.

We will be giving a short talk to the boys in Years 4, 5 and 6 letting them know about life at Forest School and what we can offer them. There will also be an opportunity at the end of the school day for you to meet me and my Transition Team. We will be delighted to answer any questions you may have about Forest School and the transition process.

If you would like to speak to us at the end of the school day on Tuesday 31 March please register using the following link: <https://forms.gle/X1WYfJyuGGSZaDNe7>

I hope that this opportunity, along with our Open Evening and Open Days, will provide the information you need to make the right choice of secondary school for your son.

I look forward to meeting you on Tuesday 31 March.

Yours faithfully

Mr I Straw
Headteacher
